Regulation No. 16A-4335 (#3378)
State Board of Chiropractic
Fees

On July 25, 2023, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the State Board of Chiropractic (Board). This rulemaking amends 49 Pa. Code Chapter 5. The proposed regulation was published in the August 5, 2023 *Pennsylvania Bulletin* with a public comment period ending on September 5, 2023. The final-form regulation was submitted to the Commission on March 15, 2024.

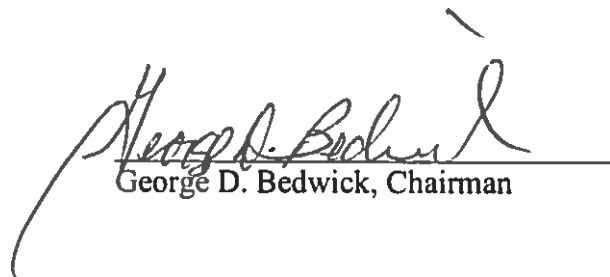

This regulation provides for graduated increases to applications for chiropractic licensure by examination, chiropractic licensure by reciprocity, certification to use adjunctive procedures, and continuing education course approval, and provides for graduated increases to biennial registration for licensed chiropractors.

We have determined this regulation is consistent with the statutory authority of the Board (63 P.S. §§ 625.302(3), 625.1101(a), and 625.502; 71 P.S. § 279.1(a)(7)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

George D. Bedwick, Chairman
