

We all win with cleaner vehicles.

I support the proposed amendments to the rules governing the Pennsylvania Clean Vehicles Program, and I support full implementation of this program, as recommended by the Pennsylvania Department of Environmental Protection. This program will help make Pennsylvania a cleaner and healthier place to live and work by improving our air quality, economic competitiveness and consumer choice.

Protect Pennsylvania's Air, Health, Economy, and Consumer Choice by Implementing the Pennsylvania Clean Vehicles Program!

We, the undersigned, fully support the proposed changes to the Pennsylvania Clean Vehicles Program that will make the program consistent with change since 1998. Those changes include postponing compliance to model year 2008. We support implementing the program as soon as possible as proposed by the Pennsylvania Department of Environmental Protection, as it is critical to our health, air quality, economic competitiveness, and consumer choice in Pennsylvania!

RE: Pennsylvania Clean Vehicles Program

All Pennsylvanians deserve clean air to breathe and want to do their part to make this possible, by reducing air pollution from their personal vehicles. Protecting human health, and saving money at the pump are top priorities for us. Please support the DEP's proposed changes to the PA Clean Vehicle Program so we can do our part.

Sincerely,
