

support the implementation of the PA Clean Vehicles Program and bringing cleaner cars to Pennsylvania. This program would help curb smog and global climate change pollution which poses public health and environmental threats to our citizens. PA has some of the worst air quality in the country and this program is an excellent first step in moving us towards a cleaner and safer place to live.

As an asthma sufferer, I consider this an extremely important program. I am very vulnerable at age 85

Sincerely,

Re: Pennsylvania Clean Vehicles Program

All Pennsylvanians deserve clean air to breathe and want to do their part to make this possible, by reducing air pollution from their personal vehicles. Protecting human health, and saving money at the pump are top priorities for us. Please support the DEP's proposed changes to the PA Clean Vehicle Program so we can do our part.

Sincerely,

Dear Members of the Environmental Quality Board:
Pennsylvania must clean up our air and protect public health. Please support
DEP's proposed changes to the PA Clean Vehicle Program.

In the past three years I have experienced
worsening allergies and infection that were
previously unknown to me. I blame worsening
environment.

Sincerely, Johanna Manning

Dear Members of the Environmental Quality Board:
Pennsylvania must clean up our air and protect public health. Please support
DEP's proposed changes to the PA Clean Vehicle Program.

Pennsylvania legislators should
support The Clean Vehicle Program. It
makes sense from health, environment standpoint
