RE: Proposed Regulation 16A-4314  
State Board of Chiropractic  
Reactivation of Lapsed License

Dear Mr. Kaufman:

The House Professional Licensure Committee on this date voted to take no formal action on Regulation 16A-4314 until final regulation is promulgated and submit the following comments:

1. The Committee questions the option to show continuous licensed practice in jurisdictions that do not offer reciprocity, and, therefore, may not have equivalent standards of practice.
2. The Committee questions the option for a licensee to complete the Pennsylvania Chiropractic Law Examination noting that this examination does not focus on the ability to practice as a chiropractor.

Sincerely,

A handwritten signature in cursive script, appearing to read "P. Michael Sturla".
