**Re: Final form revisions to Chapter 84b - life insurance  
actuarial opinion and memorandum**

Dear Mr. Salvatore:

We support the Insurance Department's final form regulation revising Chapter 84b covering life actuarial opinions and memoranda, to be considered by the IRRC on September 18.

In particular, we support the confidentiality provisions in Section 84b.9 as being consistent with Section 301(g) of the Act; we look forward to working with the Department on the enactment of similar statutory language to support similar measures in the property/casualty actuarial opinion regulation.

Thank you for the opportunity to comment on this.

Sincerely,

Samuel R. Marshall
