Regulation No. 57-283 (#2915)
Pennsylvania Public Utility Commission
Marketing and Sales Practices for the Retail
Residential Energy Market

On October 11, 2011, the Independent Regulatory Review Commission (Commission) received this proposed regulation from the Pennsylvania Public Utility Commission (PUC). This rulemaking adds 52 Pa. Code Chapter 111. The proposed regulation was published in the October 22, 2011 *Pennsylvania Bulletin* with a 60-day public comment period. The final-form regulation was submitted to the Commission on April 11, 2013.

This regulation establishes best marketing and sales practices for electric generation suppliers and natural gas suppliers for the retail residential market.

We have determined this regulation is consistent with the statutory authority of the PUC (66 Pa.C.S. § 501(b)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.
