Regulation No. 7-471 (#2946)
Environmental Quality Board
Employer Trip Reduction; Repeal

On May 21, 2012, the Independent Regulatory Review Commission (Commission) received this regulation from the Environmental Quality Board (EQB). This rulemaking amends 25 Pa. Code Chapters 121 and 126. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This final-omitted regulation repeals requirements for employer trip reduction plans that address air quality problems in severe ozone nonattainment areas.

We have determined this regulation is consistent with the statutory authority of the EQB (35 P.S. § 4005(a)(1)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

Silvan B. Lutkewitte, III, Chairman
