Robert F. Powelson, Chairman
Pennsylvania Public Utility Commission
PO Box 3265
Harrisburg, PA 17105-3265

Dear Chairman Powelson:

We are writing with regard to Docket L2013 2349042 which proposes doing away with an eight year limitation on limousines.

My constituent, Jeff Curry, is the owner of a successful limousine business in Mifflin County, Pennsylvania. He owns and operates a 2004 stretch limousine which is in excellent shape. The current PUC regulation which sets an 8 year limitation on limousines is creating a hardship on this small business owner. Limousines do not have the same wear and tear as other vehicles may. They are not normally operated continually from morning to night, day in and day out.

~~We respectfully urge that you do away with the PUC's eight-year limitation regulation on~~
limousines and we offer our support of a mileage regulation instead.

Sincerely,

Kerry A. Benninghoff
