Subject: Comment received - Proposed Rulemaking: Water Quality Standards; Class A Stream Redesignations

Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: Water Quality Standards; Class A Stream Redesignations.

Commenter Information:

wilson bear
Gods' Country Chapter Trout Unlimited (wilsontbear@gmail.com)

austib, PA 16720 US

Comments entered:

As a resident of Potter Co., I strongly support the proposed revision of the use designation of Mill Creek from its source to North Hollow. Changing designation from Class A wild trout waters to HQ-CWF would significantly provide the additional regulatory protections afforded by the HQ use designation.

No attachments were included as part of this comment.

Please contact me if you have any questions.

Sincerely,
Patrick McDonnell
