Subject: Comment received - Proposed Rulemaking: Gasoline Volatility Requirements

Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: Gasoline Volatility Requirements.

Commenter Information:

Betty Heim
Taxpayer (Bjh_12@yahoo.com)
770 Charles Street
Rochester, PA 15074 US

Comments entered:

Gasoline Voiatility Requirements need to be changed. People in western Pennsylvania can travel to Ohio and purchase gasoline much cheaper. This means less gasoline sold in Pennsylvania as consumers travel across the borders to save money. Also I support the reasons that Mr. Vogel has submitted.
