Dear Ms. Daniels,

Thank you for the opportunity to submit public comments on the proposed amendments to 25 Pa.Code Chapter 109 (relating to Safe Drinking Water: General Update and Fees).

I fully support all of the proposed amendments including the fee increase to support the cost of employing additional water safety inspectors for the Commonwealth. I have written on multiple occasions to my state representative and senator asking them to increase the state budget for the DEP including its water quality inspection and enforcement services, but in light of the lack of funding from the legislature, I fully support the proposed regulation.

I support all sections of the proposed regulation.

Thank you for your work to protect the quality of our drinking water on behalf of all Pennsylvania citizens.

Best regards,
 Karen Kroh
