Subject: QUESTION FROM LMT

Hello,

Do you have the minutes from board meetings so that the public can read and be kept abreast of our profession? Also did I hear correctly that it was ruled that LMT's in PA. are forbidden to use CBD products?

I am horrified that the cost of my licence is going up over 100% !! appreciate the board's role in our profession but this is a hardship on therapists.

Thanks for your time, Julie
