Subject: Comment received - Proposed Rulemaking: Unconventional Well Permit Application Fees

Re: eComment System

The Department of Environmental Protection has received the following comments on Proposed Rulemaking: Unconventional Well Permit Application Fees.

Commenter Information:

Dave Fogelman
(dfog-22@hotmail.com)

, PA US

Comments entered:

I, as a private resident, adamantly oppose the proposed increase in permit fees. At no point should one company or specific industry be required to provide revenue for functions that occur in the Commonwealth outside of their scope of operations.

PA is already non-business friendly with a ridiculous corporate tax rate. Let's not embarrass ourselves any further.

Dave Fogelman
