Regulation No. 7-543 (#3253)  
Environmental Quality Board  
Hazardous Waste Generator Improvements  
Rule

On February 14, 2020, the Independent Regulatory Review Commission (Commission) received this regulation from the Environmental Quality Board (Board). This rulemaking amends 25 Pa. Code Chapters 261a-265a. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This final-omitted regulation contains minor corrections and clarifications to ensure that Commonwealth regulations are consistent with provisions of the Federal Hazardous Waste Generator Improvements Rule regulations already incorporated by reference.

We have determined this regulation is consistent with the statutory authority of the Board (35 P.S. §§ 6018.105 and 6018.402, and 35 P.S. §§ 6020.303 and 6018.305(e)(2)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

**BY ORDER OF THE COMMISSION:**

This regulation is approved.

  
George D. Bedwick, Chairman
