Members of the Commission,
Please keep in mind when you vote that the ramifications will be felt not necessarily by you, but by your children and grandchildren. Do you think that they will be thanking you, decades from now, for your vote?
Wouldn't it be nice if they did thank you and bless you, because you had the consideration and forethought to think about them, and had the courage to make the tough political choices to do the right thing.
Yes, it would. Please let RGGI stand.
