Have you noticed all the hurricanes and wildfires? The planet is in crisis. Even now another gigantic hurricane is barreling toward LA. We absolutely need to act now to protect the planet from destruction. Please, please support RGGI! It is just a little bit but will protect future generations!

As a mother, grandmother and lover of gardens and all living things, I ask you to please preserve the beauty and wonder of our Earth for our descendants. Fossil fuels are causing destruction. RGGI helps us to fight back.

Please think carefully about your role and responsibility.

Thank you,

Margaret Hudgings, 409 W. Union St., West Chester, PA 19382 610-692-3849
