Re: Rulemaking 10-221 (Long-Term Care Facilities, Proposed Rulemaking 1)

To Whom it May Concern,

Please accept this letter of comment on the recently proposed rule, "Department of Health, Title 28. Health and Safety, Part IV. Health Facilities, Subpart C. Long Term Care Facilities, 28 Pa. Code §§201.1-201.3: 211.12(i), Long Term Care Nursing Facilities".

This letter is being sent on behalf of the residents we serve and the direct care staff of The Belvedere Center. Our nursing facility is a 150 bed facility located in Chester, Pennsylvania. We employ 130+ employees and provide services to 150 residents. As the CNE, I can attest to our facilities commitment to providing high quality care and prioritizing the needs of the residents we serve each and every day.

After reviewing the proposed regulation, we have grave concerns regarding the amendments to increase the required minimum number of hours of general nursing care from 2.7 to 4.1 hours for each resident and excluding other direct care provided by essential caregivers.

--
