My name is Michele Erdman and I am a learning support teacher at Shikellamy HS in Sunbury PA. I believe school districts should not be funding charter schools if a student decides to attend. Let these schools apply for grants for funding or work with PDE to find funding. It is so not fair what happens to districts as they lose millions of dollars this way. Instead we could be using this money to develop new classes and work to keep students in school. Please work with the charters do find some other way for funding instead of destroying the public schools. Thank you for your time,  
Michele Erdman
