Subject: [External] Proposed Charter School Regulations

ATTENTION: This email message is from an external sender. Do not open links or attachments from unknown sources. To report suspicious email, forward the message as an attachment to CWOPA_SPAM@pa.gov.

These proposed regulations are clearly an attempt for the Governor and those who oppose competition in the public school system (i.e. public charter schools) to put more limitations on school choice. These regulations will make it more challenging for new charter schools to open and existing charter schools to function. It's just more bureaucracy. I oppose these proposed regulations.
