To whom it may concern:

I have followed the charter school issue for a long time and have been concerned with issues of accountability, equity, quality, and transparency in the charter sector. It is past time for the trustees of these schools to be held to basic ethical standards and to disclose and abstain from any conflicts of interest. It is also past time for the clarification of penalties for individuals who violate the public trust and use their position as a public school trustee for personal financial gain. I support all of these regulations.

Sincerely,
Heather Nelson
