Governor Wolfe,

I am a proud parent of two children who attend Fell Charter School. My girls are excellent students with excellent teachers. Their school has survived all of your baseless attacks so far and I hope they survive this one too because parents DESERVE SCHOOL CHOICE! Charter schools have the students and the funds should go to the student with no issues or hassle. Our local schools are a joke and it has nothing to do with the Charter schools and everything to do with politics. I DO NOT SUPPORT YOUR POSITION ON CHARTER SCHOOLS! Give them the funding they have the legal right to and stop trying to change the laws to strangle them.
