Dear Secretary Ortega and the Pennsylvania Department of Education,

My children used the Pennsylvania Virtual Charter school during the 2020-2021 school year. It was a great help to me as we were navigating a very strange year. The cyber school was able to offer remote instruction MUCH more effectively than our local brick-and-mortar school. All my friends completing distance learning through the local school complained about how difficult, confusing, and glitchy it was. But the cyber school functioned like a well-oiled machine! Now, more than ever, we NEED cyber schools! Please don't allow the cyber schools to be burdened with unnecessary regulations. Don't allow Governor Wolf (that wolf in sheep's clothing!) to attack the cyber schools through bureaucracy. Let's protect a great asset!

Sincerely,  
Jillaine Mourning
