**Subject:** [External] New Regulations for PA Charter Schools

***ATTENTION:** This email message is from an external sender. Do not open links or attachments from unknown sources. To report suspicious email, forward the message as an attachment to CWOPA\_SPAM@pa.gov.*

I support the new regulations for Pennsylvania charter schools proposed by Governor Wolf as we seek accountability, equity, quality, and transparency. As Philadelphia's experience confirms, these requirements are lacking. Charters operate as if they were privately run, but with public monies. Meanwhile, traditional, actual public schools go without essential resources like libraries with Certified Teacher Librarians. Every child counts.
