I am writing to express my opposition to Regulation #6-349:Charter Schools and Cyber Charter Schools.

As a board member in the Freire Schools network, I am committed to ensuring that our charter schools are models of Transparency, Equity, Quality, and Accountability, While advancing these ideals may be the intent of these proposed Regulations, the proposed Regulations as they are written are cause for Concern.

The new regulations would create an additional burden for charter school operators that is really not necessary.. I request that you rescind this process and work to find a legislative solution to modernizing Pennsylvania's Charter School Law.

Sincerely,  
William F Brinkman

Freire Charter School and Tech Freire Charter School Board member.
