Reg #6-349
Department of Education, IRRC #3315

To Whom It May Concern,

Charter School reform is long overdue. Please support Governor Wolf's efforts at Charter School reform. Accountability and transparency are reasonable expectations in the spending of tax dollars. This should be reviewed on a regular basis to protect against unintended loopholes and ensure that taxpayer money is spent on its true intended recipients- children. Thank you for taking this matter into consideration. I will also be mailing a copy of this email.

Sincerely,
Christine Del Rossi
