Division of Charter & Cyber Charter Schools  
Reg #6-349  
Department of Education, IRRC #3315

To Whom It May Concern,

I support Governor Wolf's efforts at Charter School reform. It is well past the time for full accountability and transparency in all charter operations. This is funded by our tax dollars and we deserve to know how they are spent. The children in schools also deserve accountability. I will also be mailing this concern. Thanks for your attention to this matter.

Sincerely,
