Subject: [External] Proposed regulations for charter and cyber charter schools in Pennsylvania

I write in support of the proposed regulations. These regulations are a good first step in bringing greater transparency and accountability to the charter sector in Pennsylvania. Payments to charter schools are now topping \$3 billion dollars. These are enormous sums and Pennsylvania taxpayers deserve to have the recipients of these funds be held accountable for how they are spent. We must avoid repeats of the corruption revealed by the criminal prosecution and conviction of Nick Trombetta of PA Cyber. Please adopt the regulations.

Sincerely,
Susan L. DeJarnatt
