Dear Secretary Ortega and the Pennsylvania Department of Education,

As a parent of students in a charter school in Philadelphia, I am opposed to the proposed Regulation #6-349 on charter schools.

The School District of Philadelphia cannot provide for the health & safety for students in its buildings let alone the education.

Charter schools are the LAST recourse for families like mine and any changes to the regulation and oversight of charter schools should be addressed by the legislature.

Sincerely,
Jason Corosanite
