Dear IRRC Committee,

I am writing on behalf of the Redbank Valley School District. Having spent 8 years in a cyber charter school, I see how additional regulations are desperately needed. Charter schools, like brick and mortar schools need to have accountability, ethics, transparency, mandatory audits, management reform and tuition reconciliation. It is a shame that districts are forced to pay for subpar education to institutions with little accountability.

Thank you for supporting the regulations as presented.

Amy Rupp
