I am commenting in support of the proposed charter school regulations (PDE's proposal to add Chapter 713 to Title 22). I believe charter schools, including and especially cyber-charters, should be held to the same standards as traditional public schools. I don't believe this is currently happening and I think this proposal improves the situation.

Thank you for your consideration.

Sincerely,

Dr. Michael J. Boccella  
Superintendent of the Valley View School District
