ELIMINATE THE "POLLUTER EXEMPTION" ON THE DELAWARE RIVER, DAMNIT !!!! ... WHY WOULD YOU EVER MAKE SUCH AN EXEMPTION GOING THROUGH AN EASTERN CITY ?? !!!! PRETTY STUPID, I SAY :

I was disappointed to learn that the department has chosen to continue to include the "pollution exemption" for the Philadelphia section of the Delaware River in your 3-year triennial review proposal. It's time to eliminate this polluter loophole once and for all and give this section of the river the same primary contact water quality standards that exist for the rest of the Delaware River. Philadelphians should be able to have a clean stretch of the Delaware River like all the people living along the other 300 miles of this waterway.
