Good morning,

Due to time constraints relating to publication, the Water Quality Standards; Class A Stream Redesignations Proposed Rulemaking (#7-583) will not be published in the December 14th issue of the *Pennsylvania Bulletin*. Please disregard the proposed rulemaking filed on November 21st.

We will submit a new rulemaking package with your office and the Legislative Reference Bureau later this month. Following the designation of the standing committees in the next session, the new rulemaking package will be filed with the committees and the transmittal sheet will be filed with your office on that date.

Thank you,

Laura
