To whom it may concern,

I am a CRNA and I work in small private practice in Erie, PA. The rulemaking will finally recognize CRNAs as intended under Act 60 of 2021. We, as CRNAs, pride ourselves on our profession and rigorous standards set by not only ourselves but our governing boards. We are essential part of the healthcare team in our community and provide safe, cost-effective care to our patients. We need to be recognized as the compassionate caregivers we are to continue to provide high quality care to the patients who need us most.

Thank you,
Aaron Meehl, CRNA
