SUBJECT: CRNA Proposed Rulemaking

To Whom It May Concern:

I am writing in response to the State Board of Nursing's proposed rulemaking, 16A-5145 (CRNA). I am a practicing CRNA in Allegheny County for the Allegheny Health Network, with over 20 years experience as CRNA. This proposal will bring the CRNAs to the practicing level that the majority of other states already have. With the growing healthcare needs, CRNAs need to be utilized and allowed to practice to their full training and education. Again, the CRNAs in PA are strong in education and focus on the patients needs. Thank you for your support
Sincerely
Diana Sommer CRNA, MS
