To Whom It May Concern

I'm a Certified Registered Nurse Anesthetist living in Bucks County. I have worked in both Pennsylvania and New Jersey. I can't adequately describe how great it is to know that with your actions on the State Board of Nursing's proposed rulemaking (16A-5145 CRNA) that all the hard work, dedication, and focus that I have given in providing anesthesia to my patients over the last 20 years will actually mean something in terms of how we our recognized. The high level of education and continuous training shows in the great quality of care that me and my colleagues give - that literally no other type of nurse can. Thank you so much for recognizing that.

Please support the proposed rulemaking. Thank you for supporting CRNAs.

Sincerely,
Norman Walker, CRNA
