Murray Ufberg, Esq.
Dennis A. Watson, Esq.

Regulation No. 7-590 (#3456)
Environmental Quality Board
U.S. Nuclear Regulatory Commission
Consistency Rule - Incorporation by Reference

On September 11, 2025, the Independent Regulatory Review Commission (Commission) received this regulation from the Environmental Quality Board (Board). This rulemaking amends 25 Pa. Code Chapters 215, 217, 219, 220, and 230. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

This final-omitted rulemaking updates the Department of Environmental Protection's (Department) radioactive materials regulations to exclude Federal provisions that the Department does not have the legal authority to enforce.

We have determined this regulation is consistent with the statutory authority of the Board (35 P.S. §§ 7110.301 and 302; and 45 P.S. § 1204(3)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

George D. Bedwick, Chairman
