Regulation No. 16A-4717 (#3473)
State Registration Board for Professional
Engineers, Land Surveyors and Geologists
Engineer Interns

On December 9, 2025, the Independent Regulatory Review Commission (Commission) received this regulation from the State Registration Board for Professional Engineers, Land Surveyors and Geologists (Board). This rulemaking amends 49 Pa. Code Chapter 37. Notice of proposed rulemaking was omitted for this regulation; it will become effective upon publication in the *Pennsylvania Bulletin*.

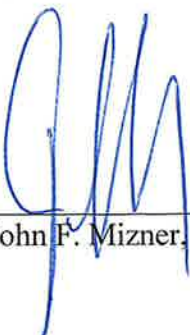

This final-omitted rulemaking conforms the Board's existing regulations to amendments made to the Engineer, Land Surveyor and Geologist Registration Law by Act 32 of 2024.

We have determined this regulation is consistent with the statutory authority of the Board (63 P.S. § 151(1)) and the intention of the General Assembly. Having considered all of the other criteria of the Regulatory Review Act, we find promulgation of this regulation is in the public interest.

BY ORDER OF THE COMMISSION:

This regulation is approved.

John F. Mizner, Vice Chairman
